

## NCC Day

**NCC Day** is celebrated on the **fourth Sunday of November** each year to commemorate the raising day of the **National Cadet Corps (NCC)**. It is a significant occasion that highlights the values of **discipline, leadership, and service** upheld by the NCC.

Across the country, cadets participate in **parades and marches**, demonstrating their drill skills and discipline. The celebrations also include **cultural events** such as music, dance, and drama performances that showcase the diverse talents of NCC cadets. Awards and recognitions are presented to outstanding performers and achievers.

Our college celebrated **NCC Day** on **28th December 2024** on the campus, featuring drill demonstrations and cultural performances by the cadets.
