

# Report on making of Eco Friendly Ganesh 2024

**Date-** 06-09-2024

**Objective-** To improve awareness among the students about the use of eco-friendly substances and also to signify the importance of the Ganesh Chaturthi.

**Outcome:** The **Department of Botany** organized a program on making eco-friendly Ganesh on **6th September 2024**.

Students prepared various types of Ganesh idols using clay, fruits, vegetables and using dough made from natural colors like turmeric by avoiding harmful synthetic colors.

21 varieties of leaves which are used during pooja were displayed on herbarium sheets by B.Sc(BZC) final year student J.Manish.

The event brought awareness among the students about the importance of biodegradable substances and also signified the importance of using such substances and their impact on the environment.

The judgment was given by Mrs.Sony and Mrs.Shailaja from the Department of Commerce.

13 students participated in the competition out of which 5 were selected as Prize winners.
