

SARDAR PATEL COLLEGE

DEPARTMENT OF BOTANY

REPORT ON THE EDUCATIONAL VISIT TO “KONDAPUR BOTANICAL GARDEN”

OBJECTIVE: To expose the students to diverse flora and various types of medicinal plants.

REPORT: The Department of Botany and nutrition along with B.Sc final year and second-year students visited the “**Kondapur botanical garden**” at Kondapur on **13th February 2023** as a part of their academic curriculum.

The Eco-Tourism manager Kalyanapu Suman gave a warm welcome and briefed us about the arrangement of various plants according to astrology, planets i.e rasi vanam, navagraha vanam, nakshatra vanam, Vinayaka vanam. We were accompanied by Dr.Veera Kishore, who explained various medicinal plants, cactus garden, their maintenance, and their importance.

OUTCOME:The students and the staff were very much fascinated by the various measures taken to improve foreign plant species.The students gained much knowledge about medicinal plants, their maintenance, and its uses.
